

## Foreign Travel? Border Guards? Covert Activities? Action? Suspense?

Sound like an **International Rotary Project** to you? Probably Not! But you just might be surprised at how fun and exciting it really **can be**, when you decide that you are finally going to participate in a one of Rotary's most fulfilling international activities: **The International Rotary Project**. Come to the next **Sonoma County Association of Rotary Clubs** meeting hosted by **The Rotary Club of Santa Rosa West** on **August 26th** at the Santa Rosa Golf & Country Club, and you'll learn how these wonderful and fulfilling programs, undertaken by the dedicated and visionary members our clubs, are actually planned and carried out. It will be your opportunity to learn "how to" identify, select, plan and execute the kind of projects that will be most successful for your particular club. There will be a Power Point slide presentation that will not only interest and educate you, but will without a doubt, inspire you!

So! Presidents! Secretaries! International Service Directors! Committee Chairs! Project Coordinators! New Members! Rotaracters and those of you who would like to renew yourselves and get back into the real stuff of Rotary, don't miss this incredible presentation! We'll plan to see you there on August 26th beginning at 6:00pm for the social hour and dinner at 7:00 with the program following at 7:45 or 8:00pm and adjournment promptly at 9:00pm.
