

Every Child, Every Day – Summer Hunger Initiative 2007

During the summer when school is out, the Redwood Empire Food Bank organizes non-profit, community-based Free Summer Lunch locations and oversees the delivery of lunch from school district kitchens. Volunteer help is vital to a successful Summer Lunch program. We are in need of volunteers to serve prepared meals, guide activities at sites, deliver meals to sites and oversee summer lunch sites.

Summer Lunch runs from:

June 4th – August 10th in Santa Rosa

June 11th – August 17th Petaluma

June 11th – August 10th in Rohnert Park/Cotati

June 25th – August 3rd in Healdsburg

Lunch site days and times of operation vary.
