

## **Kahuna News 11**

**May 25, 2003**

Hello Everyone!

After the last Kahuna News, several people told me I forgot to mention 2 important aspects of the District Conference: we had fun and we danced! Here is the list of the Clubs who each got \$300 because of the number of registrants they had at the Conference:

### **Del Norte Sunrise, Fortuna, South Ukiah, Clear Lake, North Napa, Guerneville**

It was a particularly close race in Humboldt County! I've asked each Club to let me know what they do with their prize money and I will share that with you.

### **Rotary International Convention**

Marty and I leave for Brisbane Tuesday and arrive Thursday! Several District 5130 Rotarians are on their way "down under" in the next few days. Next year's convention is in Osaka and our Centennial convention will be in Chicago in 2005. I hope that each of you have the opportunity to attend an RI convention if you haven't already done so. This will be my fifth and I learn something amazing each time I mingle with Rotarians from around the world.

### **Paul Harris Fellow Pin**

On Sunday at the District Conference, Mr. Phat, the GSE team leader, was made a Paul Harris Fellow. Sue McKinney "borrowed" someone's pin to give to him and doesn't know who made that generous gesture. If it was you or someone in your Club, please let me know and I'll get the pin replaced. Thank you!

### **Protecting the Rotary Emblem**

The latest issue of Rotary World talks about the importance of using our Rotary emblem correctly. "In an effort to protect the trademarks for the benefit of Rotarians worldwide, the RI Board of Directors has established detailed guidelines for their use on all...publications, including domain names and Web sites. Rotarians can learn more about these guidelines on the RI Web site or by consulting the Rotary Code of Policies...so they can use Rotary's name and emblem with confidence..." Please ensure that you understand how to use the Rotary wheel to promote service above self at all times. If you have any questions about layout or use, please consult the RI resources above.

### **The Rotary Foundation**

Last week, District 5130's total contributions (annual, Polio, other restricted, permanent) topped **\$500,000!** This is 50% more than we donated all of 2001-2002. Thank you so much! We have met this year's Polio goal of at least \$78 per capita, but we are short on the \$125 per capita for annual giving. As PDG Harry said at the Conference, please consider giving just another \$50 to the annual fund. We saw the huge return on our investment with the GSE teams, the Peace Scholars and Matching Grants; please do what you can to ensure the future of these critical programs.

Beyond that, please ensure that whatever monies you've collected for Foundation giving is sent in right now. Your Clubs and your members deserve prompt recognition for all the awesome work that's been done this year. Thank you!

Terri Clark, Governor
