

Rotary District 5130

Yellow/Blue Pages

Need a mechanic?... an attorney?... how about a dentist? Away from home and you need a tow?... a locksmith? A place to spend the night?... Looking for some fabulous wine? Where do you look? The yellow/blue pages, of course! And since doing business with Rotarians is good business, you can now have the chance of finding that product or service offered by a fellow Rotarian in the new Rotary District 5130 Yellow/Blue Pages.

The District yellow/blue pages is your opportunity to let every Rotarian in the District know about what you do and where your business is located. The most basic rule of marketing says that if the customer doesn't know who you are or what you offer, they won't be doing much business with you.

Rotary began as a network of business people helping each other while they helped their communities. This is one small way of keeping our founding spirit alive.

Have as many listings as you want. Each listing is **\$35 annually**, a small price to pay for a year of exposure. All funds go toward the support of our district web site.

The "yellow/blue" pages are listed on the District web site: www.rotary5130.org Go to the menu on the left of the page and drop down to "yellow/blue" pages and click on it.

Please make **checks payable to Rotary District 5130**
