Global grants

Global grants support large international activities with sustainable, measurable outcomes in Rotary's areas of focus. By working together to respond to real community needs, clubs and districts strengthen their global partnerships.

Read A Guide to Global Grants for detailed information on planning your project, applying for a grant to fund it, carrying it out, and reporting on your progress and outcome.

What global grants support

Global grants can fund:

- Humanitarian projects
- Scholarships for graduate-level academic studies
- Vocational training teams, which are groups of professionals who travel abroad either to teach local professionals about their field or to learn more about it themselves

How they're funded

The minimum budget for a global grant project is \$30,000. The Foundation's World Fund provides a minimum of \$15,000 and maximum of \$200,000. Clubs and districts contribute District Designated Funds (DDF) and/or cash contributions that the World Fund matches. DDF is matched 100 percent and cash is matched at 50 percent.
